RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT
PREVIOUSLY SUBMITTED MARCH 18, 2002

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This Information Disclosure Statement (IDS) is filed in the application identified above pursuant to 37 C.F.R. § 1.56. The IDS was originally mailed on March 7, 2002 (filed March 18, 2002 according to PAIR) by a prior attorney/agent for Applicant. The Examiner stated in the Office Action mailed February 27, 2006, that the IDS was submitted without a signature by the submitting attorney. The Examiner did state that the

IDS was considered since it was originally filed in the parent application (now U.S. Patent 6,738,661). Applicant's undersigned attorney hereby submits a fresh, signed copy of the IDS originally deemed filed on March 18, 2002, as a courtesy to the Examiner. No references are being submitted with this IDS as they are already of record in the instant application.

No representation is intended that a complete search has been made of the prior art or that no better art references than the references cited in the IDS are available. The filing of this IDS shall not be construed to be an admission that the information cited in the IDS is, or is considered to be, material to patentability as defined in §1.56(b).

The cited references are believed not to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over the cited references.

Applicant believes that no fees are required for filing this IDS. If any fees are required, the Commissioner is hereby authorized to charge the same to Barnes & Thornburg LLP Deposit Account No. 10-0435, with reference to our matter 41594-200407.

Respectfully submitted,

Bradford G. Addison
Registration No. 41,486
